

FACILITIES
SHOW INDIA
VIRTUAL EXPO

In Partnership with

STAY CONNECTED AND KEEP YOUR CUSTOMERS ENGAGED

26 - 27 November 2020

11:00 am to 6:00 pm

Informa Markets in India and IFMA have entered into a strategic tie up for Facilities Show India, a pioneer exhibition in the facilities sector. The objective is to help the Facilities Management community with relevant, state of the art products and services showcased in the exhibition and a high level conference where doyens of the industry will provide insights and knowledge share on key areas in this segment.

Informa Markets in India is the country's leading exhibition organiser that provides the industry with platforms that bring together buyers and sellers from around the world through a portfolio of events, content-led conferences and seminars. Established in 2006, we host over 20 large scale events and 40 conferences across the country every year.

IFMA India brings education, information and networking services, programmes and benefits to help meet the growing demand in the facility management market. IFMA has local chapter networking groups in Bengaluru, Chennai, Delhi, and Mumbai and its Bengaluru staff liase directly with the Association's global headquarters in the United States. Whether you are an experienced Facilities professional or are new to the segment, you will find valuable opportunities to grow your career and business through IFMA. Visit www.ifma.org

Facilities Show India Conference

The Facilities Show India Conference will provide insights and ideas, discuss trends and disruptions permeating modern life and workplaces. The thought-provoking sessions will help organizations rise to some of the greatest challenges and changes needed to adapt and thrive and provide attendees with tools and inspiration to seize workplace opportunities.
